DAVOS KLOSTERS ACTIVE [\(more information\)](#)

The world's best guest programme

What may, at first glance, seem like a PR gag or an exaggerated advertising cliché is actually true. Because with its guest programme “Davos Klosters Active”, Davos Klosters is offering a total of 700 experiences across the summer. New this year is that all events are free and that all offers will definitely take place – irrespective of how many participants show up. Every week from Monday to Friday.

So, what takes your fancy? A guided mountain bike tour through the single track paradise in the Alps? A golf taster course? Or a guided tour through the Kirchner Museum? As you can see: you are spoilt for choice! Visit our website sommer.davos.ch and get some inspiration. By the way: as an added bonus, you will get a free Davos Klosters penknife by Victorinox when you take part in three events. Simply visit three Davos Klosters Active events and get a sticker for your Active Flyer from the respective event manager or guide.
