

Responsible sourcing – CSC WRF workshop

Drs. L.J.G. Dekker – Mebin|HeidelbergCement Group
Geneva - 24 October 2017

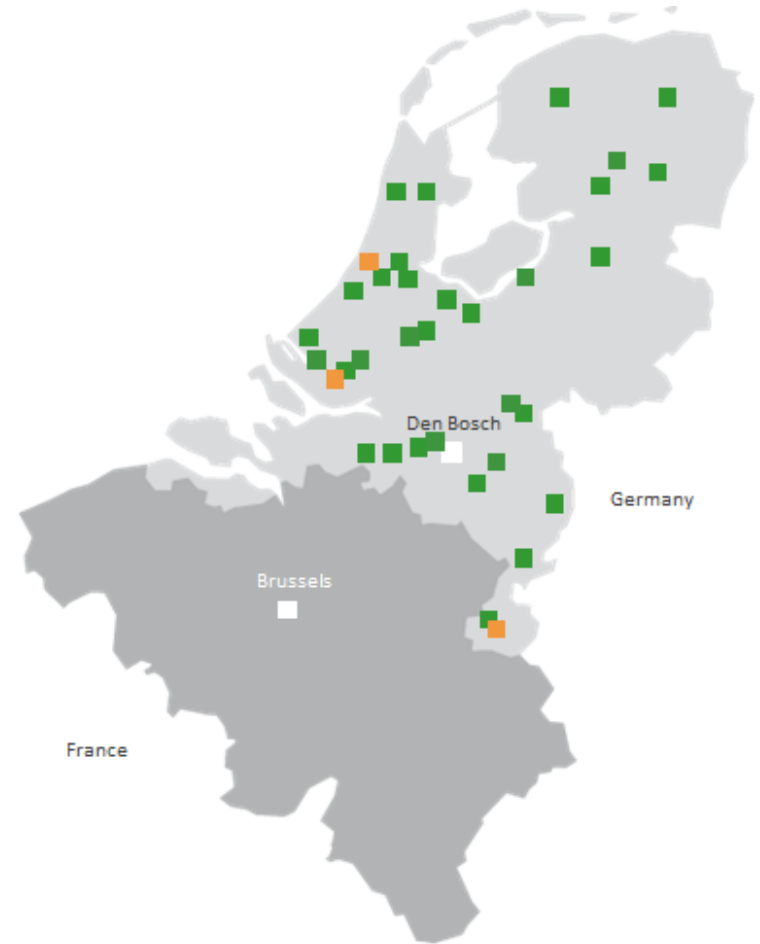

Golden Girls – CSC gold

32 RMC plants – 3 Cement factories in NL

- People 342
- Plants 32
- *Volume (mio m³) 1,9

- Headquarters
- Mebin
- Enci

Why – CSC/RSS

■ Advanced sustainability policy NL

- CO2 reduction
- Circularity
- Natural capital (Biodiversity)
- Social capital

■ Public and private tenders

- BREEAM, LEED
- Public tenders (EMVI)
- Institutional Investors

■ Beton Bewust – RMC industry

- Operational 2012

■ Limit administrative burden

- ISO9000/ISO14001/ISO18000
- Etc.

What are essential challenges CSC/RSS

- **Getting started and doing it!**
 - Green field → Beton Bewust
 - Legal framework in countries
 - Using group policies
- **Get recognition from relevant stakeholders**
 - Everybody knows FSC for wood products
- **Involve “Chain of Custody”**
 - Cement (25%)
 - Aggregates and additives (15%)

What is market expectations CSC/RSS

■ Further development of CSC/RSS

- Ready mixed concrete
- Prefab
- Cement
- Aggregates
- Admixtures

■ Essential prerequisite in tenders/projects

- Public/private
- BREEAM/LEED
- Betonakkoord (“Concrete Agreement”)
